- › **Integrity and Ethics:** Upholding high standards of integrity and ethics.
- › **Accountability:** Taking responsibility for actions and decisions.

OUR STRENGTHS

Tasgo India Pvt Ltd. distinguishes itself through its ability to provide comprehensive multi-disciplinary engineering services to our customers. We offer full EPCCS support (Engineering, Procurement, Construction, Commissioning, and Services) tailored to meet our customers' needs.

Our organization cultivates an innovative problem-solving culture, ensuring swift and adaptable responses to client requirements. With a highly skilled team, TASGO provides end-to-end engineering solutions—from project feasibility assessments to detailed design and construction management. We operate with professionalism, emphasizing forward-thinking and customer-centric practices, upheld by effective policies ensuring excellence in Quality, Health & Safety, and Environmental standards. And we provide dedicated EPCCS support tailored to meet our customers' specific needs."

OUR SERVICES

TASGO INDIA PRIVATE LIMITED specializes in providing high-quality consulting engineering and project management services tailored for the Power & Industrial sectors. Our dedicated team of engineering professionals collaborates closely with various disciplines to offer a comprehensive range of services, ensuring timely and cost-effective delivery.

- 
ENGINEERING CONSULTANCY

Comprehensive engineering services including Civil & Structural, Electrical & Instrumentation, Mechanical engineering.
- 
INSTALLATION, TESTING, & COMMISSIONING

Expertise in overseeing the installation, testing, and commissioning phases of projects to ensure smooth operations.
- 
PROJECT MANAGEMENT SERVICES

End-to-end project management solutions from inception to completion, ensuring adherence to time lines and budgets.
- 
INTERNATIONAL PROCUREMENT SUPPORT

Assistance in Procurement Processes, including Sourcing, Logistics, and Supplier Management on a global scale.
- 
TRADING AND MATERIAL MANAGEMENT

Efficient handling and management of materials and equipment to support project requirements.
- 
DIGITAL SOLUTIONS (IOT, DX, SOFTWARE)

Digital solutions and implementation of IoT and related software applications to enhance operational efficiency.
- 
OPERATION AND MAINTENANCE SERVICES

Comprehensive support including O&M Support, Annual Maintenance Contracts (AMC), Overhauling services, and Technical support to optimize Asset performance.
- 
SKILLED MANPOWER & RESOURCE SUPPLY

Provision of skilled manpower and resources tailored to project-specific needs.
- 
QA/QC MANAGEMENT SERVICES

Implementation of rigorous Quality Assurance (QA) and Quality Control (QC) measures, including auditing and third-party inspection services.
- 
HEALTHY, SAFETY & ENVIRONMENT SERVICES

Commitment support to maintaining high standards of Health, Safety, and Environmental practices throughout project execution.

These services highlight Tasgo India Private Limited's capabilities in delivering integrated solutions that meet the complex demands of Power & Industrial projects while ensuring client satisfaction through reliable and efficient service delivery.

RENEWABLE ENERGY

- EPCCS services for:
- Hydro Electric Power Plants (Including Large, Medium, Small & Micro)
- Pumped Storage Power Projects
- Solar Energy Projects
- Wind Energy Projects

THERMAL POWER GENERATION

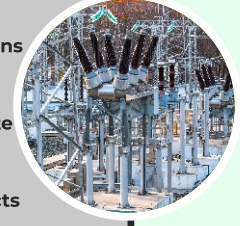

- EPCCS solutions for:
- Coal Power Plants
- Combined Cycle Power Plants
- Captive Power Projects
- Waste to Energy
- OSM, AMC, Overhauling Services

CARBON SOLUTIONS

- H2 based power projects
- Carbon Capture, Utilization and storage (CCUS) Technologies.
- Emission Monitoring and Reduction Strategies
- Carbon offset Projects

EHV & GIS SUBSTATIONS

- Design and Installation of
- Extra High Voltage (EHV) substations
- Gas Insulated Switchgear (GIS) substations
- Substation Automation and Remote Operation (SCADA)
- Transmission Line and Towers
- Transformer, Switchgears, Bus Ducts

DISTRIBUTION SUB-STATIONS

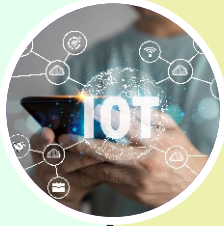

- Engineering Construction:
- Gas Insulated Switchgear (GIS) distribution Transformers
- AIS (Outdoor) Bus Ducts, substations.
- Ring main system, Gantry Tower

INDUSTRIAL INFRASTRUCTURE PROJECTS

- Comprehensive solutions for:
- Industrial projects
- Oil & Natural Gas Projects
- Pipelines Projects
- Balance of Plant (BOP)
- Railways & Metro Electrification

DIGITAL SOLUTIONS (DX, IOT & SOFTWARE)

- IoT solutions for Power and Industrial Projects
- Software applications for related industries
- Digital Solutions

EV CHARGING & ENERGY STORAGE SYSTEMS

- Design and implementation of:
- Electric vehicle (EV) charging stations.
- Energy storage systems
- Battery Modules

BUILDINGS & ROADS INFRASTRUCTURE

- Engineering consultancy for:
- Building infrastructure projects.
- Road infrastructure projects
- 3D Modelling

ENVIRONMENT & POLLUTION CONTROL

- Solutions focusing on:
- Environmental sustainability
- Decarbonization
- Emissions control
- Waste Management

These refined service offerings should help articulate the comprehensive range of expertise and capabilities that Tasgo India Private Limited offers across its various business areas.

QUALITY, HEALTH & SAFETY, ENVIRONMENT (QHSE) SYSTEM:

TASGO INDIA PVT. LTD. maintains high standards of Quality, Health & Safety, and Environmental management across all operations.

We ensure operational excellence through world-class quality systems and continuous improvement. Complying with international standards and local regulations, we identify hazards, assess risks, and implement proactive measures like enhancing protective systems and optimizing inventory.

QUALITY MANAGEMENT SYSTEM

At TASGO INDIA, we prioritize customer satisfaction by delivering high-quality services and products while meeting all statutory and regulatory requirements.

Key Principles:

- **Understanding Customer Needs:** We proactively understand our customers' diverse needs and expectations.
- **Continuous Improvement:** We foster a culture of continuous improvement, empowering our employees to innovate and enhance our processes, products, and services.
- **Compliance and Responsibility:** We rigorously adhere to applicable statutory, regulatory, safety, and environmental standards, integrating sustainable practices into our operations.
- **Quality Objectives:** We set ambitious quality objectives and targets, regularly monitoring our performance to drive ongoing improvement and ensure the effectiveness of our quality management system.

Commitment to Excellence:

Quality is fundamental at TASGO India Private Limited, guiding our actions and decisions to lead our industry and earn the trust of our customers and stakeholders.

OCCUPATIONAL HEALTH & SAFETY MANAGEMENT

At TASGO INDIA PVT. LTD., we prioritize the health, safety, and well-being of our employees, contractors, visitors, and community. Our commitment is to maintain a safe workplace and comply with occupational health and safety regulations.

Key Principles:

- **Safety Culture:** We promote a culture where everyone prioritizes safety.
- **Compliance:** We follow all occupational health and safety laws and standards.
- **Risk Management:** We identify and minimize workplace risks through preventive measures.
- **Training and Awareness:** We provide training to ensure safe work practices.
- **Emergency Preparedness:** We have plans to handle emergencies effectively.
- **Continuous Improvement:** We continuously improve our safety practices.

Commitment to Excellence:

At TASGO INDIA PVT. LTD., we are dedicated to a safe and healthy workplace. Through these efforts, we aim to prevent accidents and promote well-being.

ENVIRONMENTAL MANAGEMENT

At TASGO INDIA PVT LTD, we are committed to environmental sustainability and integrating environmental considerations into all aspects of our business operations.

Key Principles:

- **Continual Improvement:** We set environmental objectives, monitor progress, and strive for continuous improvement in our environmental performance.
- **Awareness and Skills Development:** We ensure our employees and partners understand and fulfill their environmental responsibilities.
- **Pollution Prevention and Sustainable Practices:** We prevent pollution, reduce waste, minimize environmental impact, and protect bio-diversity and ecosystems.
- **Response to Environmental Challenges:** We proactively address environmental challenges across our business activities.
- **Reduction of Carbon Footprint:** We aim to reduce our carbon footprint by cutting hydrocarbon consumption and increasing renewable energy use.

Commitment to Excellence:

At TASGO INDIA PVT. LTD., we conduct our business in an environmentally responsible manner, striving for continual improvement in our environmental performance. This commitment aims to positively impact society and the environment.

OUR QUALITY MANAGEMENT PRINCIPLE

CORPORATE SOCIAL RESPONSIBILITY

TASGO INDIA PVT. LTD. is committed to socially responsible business practices guided by a strong CSR policy, ensuring accountability to all stakeholders. Our CSR program aims to make a positive impact in underprivileged communities, defining TASGO INDIA PVT. LTD. as a responsible corporate entity.

Our CSR Initiatives Focus

Aligned with Schedule VII of the Companies Act 2013, our CSR projects emphasize collaboration with local communities, NGOs, and government agencies for effective and sustainable outcomes. We are dedicated to transparency and engaging stakeholders in our efforts.

This reflects TASGO's commitment to CSR, emphasizing social responsibility and sustainable community impact.
